

Conference Overview

CTSC 2019 is a unique three (3) day, professional development and networking opportunity that features a TSCM focused learning experience delivered by industry leading technical operators.

Participant Benefits

- ◆ Broaden your understanding of the technical security field.
- ◆ Refine your skills with the only Canadian organization to offer standards based certification training, ethics and best practices in the field and the boardroom.
- ◆ Network with other technical security specialists and become part of a growing network of industry and tradecraft professionals.
- ◆ Update your skills and knowledge of TSCM capabilities and the latest vulnerabilities.
- ◆ Receive a professional development certificate, for those who attend the required number of training sessions. CTSC certificates are recognized by professional associations, such as the American Society of Industrial Security (ASIS), as continuing education credits against the CPP® and other similar designations.

Presenter Benefits

- ◆ Enjoy the satisfaction of imparting your technical security knowledge to a group of interested people and contribute to the overall industry knowledge base.
- ◆ Through interactions with other experts, broaden your horizons and gain new business prospects and opportunities.

- ◆ Update your knowledge of TSCM technology and equipment capabilities.

Offer to share your extensive experience and knowledge with your peers by submitting a presentation proposal for the 14th annual Canadian Technical Security Conference.

Exhibitor Benefits

The exhibit space is strategically co-located near the presenter area and provides an opportunity to:

- ◆ Market your products and services while interacting with the industry experts that utilize your products and services in the field.
- ◆ Contribute to the overall sustainability and success of the technical security industry.
- ◆ Become eligible for industry awards and recognition.

Contact us to reserve your exhibit space or to sponsor a conference activity.

Advertising Opportunities

Maximize the impact of your presence at the conference by advertising with us as part of your overall targeted marketing strategy. CTSC 2019 advertising provides a cost effective approach to promote your company or organization. Advertising at CTSC 2019 financially supports the aims, goals and objectives of the annual event, and places your company front and center with a dedicated industry audience.

Visit us at www.ctsc-canada.com for online registration and full CTSC 2019 conference details.

Awards and Recognition

The recognition of professional achievement is an important element of any thriving and relevant industry. Peer nomination and recognition helps build professional credibility and enhances public confidence in our industry. You can nominate an individual, company, organization or manufacturer for industry and peer recognition. Nomination forms can be submitted until the end of the first day of the conference.

Sponsorship Opportunities

We have reserved a limited number of sponsorship opportunities for the CTSC 2019 event. If you would like to become a corporate sponsor, please contact us for details.

Extend Your Professional Credibility and Expand Your Knowledge

Conference Highlights

Hospitality Night (Tuesday April 02, 2019)

Please join friends and business associates for a casual hospitality event hosted at NAV CENTRE. Hospitality night includes a selection of snack items and refreshments, and provides an excellent networking opportunity end the end of the first day.

Expanded Competitive “Bug-Off” (Wednesday April 03, 2019)

Bragging rights are the order of the day for the 14th annual competitive “Bug-Off”. Evaluate new equipment and perhaps learn a new skill from other like-minded participants in a mildly entertaining and somewhat stimulating competitive environment of our challenging “Bug-Off”, sponsored by the “Office of Evil Intent”.

Dinner and Awards Night (Wednesday April 03, 2019)

Join us for a casual, relaxing and entertaining Dinner and Awards Night event. Enjoy a catered dinner prepared by the NAV CENTRE chef and staff. The evening rounds out with our Keynote speaker and networking opportunity.

TSB Technical Workshop (Thursday April 04, 2019)

The TSB Technical Workshop brings an important “tradecraft” component to the conference, with a strong focus on threat detection methods and the latest on hostile threat technology. Learn about the latest deployment best practices as developed by our Technical Research and Standards Group (TRSG).
